SELECTMEN'S FORWARD

The state of Town affairs is very good as we end another year. We are solvent and despite continuing pressure from State regulations, we have kept pace thanks to long hours and hard work by our officials, volunteers, and employees.

Financially, the highlight of the year was the refinancing of the Town's share of the bond for the sewer project. Through a discount purchase plan offered by the FHA, we refinanced the bond through the N.H. Municipal Bond Bank on a 20 year plan at lower interest rates. The total savings to the Town is \$482,387.00.

We also sold a \$94,000. bond for the new fire truck which will be delivered later this year at a total cost of \$144,000. The balance is scheduled to be paid from invested income from the Lodge, Dumont, and Farnum Trust Funds.

The third bond program came via our membership in the Ashuelot Valley Sewer Program. The EPA was nearly 2 years behind in approving the final figures for the treatment plant in Keene and the interceptor from Marlborough, so we were faced with two years payments totaling \$14,000. We applied the final leftover \$6,066. from the sewer project finance fund toward this payment and paid the remainder from the general fund. The Town Report schedules all of the bonds outstanding.

We point out: The growth of activity in the Welfare programs which Mrs. Knight so ably handles. It has become nearly a full time job, involving a great deal of legal knowledge and ability to understand the interplay between Town, County, and State financing. The Juvenile Conference Program is one needing constant watching and is bound to be a costly program in the future. The conference is aimed at the young violator to give direction without recording a criminal record. Our own Youth Advisory Board does the same thing wherever possible.

Considerable progress has been made in our recycling efforts this year, supervised by Bob Bennett. Bob has found new markets for the cast iron, tires, and lube oil, all of which will reduce the landfill in preparation for plans for closing the landfill and changing over to a transfer station. This will probably require a baling machine to transfer non-recyclables to a regional plant if, and when, the District's differences can be solved.

A Solid Waste Management Plan must be filed with the State authority by October 1, 1989, and, although much of the work has been done, ie; five monitor wells installed at the landfill, we must file a closure plan for the site and its subsequent conversion to a recycling center and transfer station, and arrangements made to ship the waste elsewhere. Where and when are the questions.

The municipal insurance crisis of 1985-86 is one which we have solved. As a Trustee of the N.H. Property & Liability Trust, the writer has been directly involved since its inception July 1, 1986, and can report that in the first 2½ years of operation, it has grown to include 170 cities, towns, precincts, and school districts. Our experience has been excellent, and we have held the line on costs. As chairman of its underwriting committee, I have worked with other insurance executives, who also serve their communities as town or city officials. Our assets now exceed nine million dollars, and we expect that if our experience continues in this same mode,

we can soon start paying dividends. However, as in our pool arrangement, we must first build our reserves for claims to a safe and sound level. More importantly, we are no longer subject to the whims and instability shown by private carriers and their agents.

As I prepare to step down as Selectman, it is quite natural to think back over the past six years and perhaps, this is a good time to summarize and say thank you to my fellow Selectmen, Department Heads, Town Officials, Employees, and last, but not least, all the volunteers who give so much to their Town.

Here are a few of the six year projects:

- Sewer installation
- Main Street reconstruction, and re-paving all streets after construction
- Water Street and McKinley Circle water mains
- Establishment of Recycling Center
- Installation of water meters
- Replacement of street lights (saves \$6,000. per year)
- Pierce Elderly Housing
- Municipal parking lot
- Knight Lane extension
- School bus unloading zone
- Installation of water anti-corrosion system
- Adoption of Ordinances for: Sewer, Recycling; and Traffic
- Amended Zoning and Sign Ordinance (nearly complete)
- Adoption of plans for: Master Plan; Water Resource Management-final steps;
Capital Improvement Plan - in process
- Trestle Terrace sewer extension
- Installation of computerized Town Office systems
- Installation of monitor wells at Landfill
- Expansion of our Police Department to include our first "full time"
officer, Neal Collier.
- Insurance safety inspections of all buildings
- Formation of Safety Committee
- Establishment of Conservation Commission

In conclusion, we have worked hard to keep the best interests of the Town and its people before us and believe the progress exemplified by this report reflects that fact. Space doesn't allow me to name all the individuals who have worked so hard and given so much time to the effort, but, we do thank them. Each and every one knows themselves who you are without naming.

Respectfully submitted,

Edwin S. Wheeler, Chairman

BOARD OF SELECTMEN:

Edwin S. Wheeler, Chairman
Alice M. Knight
Robert L. Bennett

WARRANT

The Polls will be open from 1:00 PM to 9:00 PM.

To the Inhabitants of the Town of Marlborough in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the *School Gymnasium* in said *Marlborough* on *Tuesday, the fourteenth day of March, next at 7:30 PM of the clock in the afternoon to act upon the following subjects:*

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum of \$125,000 for the construction and original equipping of a new Highway Garage Building on the Town's Route 124 property and to authorize the issuing of not more than \$125,000 in bonds or notes in accordance with the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Selectmen to sell the present Highway Garage land and building located on the South side of Route 101 and to negotiate the selling price after an independent appraisal. The proceeds of such sale to be applied to the reduction of the bonds or notes, or to act in any manner relating thereto.
4. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed in the Highway Capital Reserve Fund for the purchase of new vehicles and/or equipment or to act in any manner relating thereto.
5. To see if the Town will vote to accept the Omer Dumont gift to the Marlborough Fire Department in the amount of \$21,550 and any additional balance from the estate and any accumulated interest, the fund to be held by the Trustees of Trust Funds. Upon the recommendation of the Fire Wards, the Town Meeting may appropriate the earned income of said gift for the purpose of purchasing equipment or vehicles or for capital expenses of the Fire Department.
6. To see if the Town will vote to authorize the Board of Selectmen to accept and expend money from State, Federal, or other governmental unit or a private source which becomes available in RSA 31:95B or to act in any manner relating thereto.
7. To see if the Town will vote to designate the following listed roads as Scenic Roads in accordance with RSA 231:157. (By Petition)

Meetinghouse Road (from Rte. 124 to the State Boat landing)	
Old Harrisville Road	Old Dublin Road
Stone Pond Road	Stone Pond Cross Road
Lower Webb Depot Road	
8. To see if the Town will vote to raise and appropriate the sum of \$4,737 for the purpose of completing the feasibility study for the proposed Town Office Building or to act in any manner relating thereto.

9. To see if the Town will vote to authorize the Selectmen to accept the gift of the "Gates House" (the oldest house in Town) and .76 acres of land for preservation as a Town historical building to be used by the Marlborough Historical Society and to raise and appropriate the sum of money for initial maintenance or to act in any manner relating thereto.
10. To see if the Town will vote to authorize the Selectmen to expend 10% of whatever Land Use Change Taxes are collected each year, commencing in 1989, for the establishment of a Capital Reserve Fund for future conservation purposes or to act in any manner thereto.
11. To see if the Town will vote to raise and appropriate the sum of \$14,000 for the purpose of improving the new Town lot on Fitch Court and erecting a pavillion building or to act in any manner relating thereto.
12. To see if the Town will vote to raise and appropriate the sum of \$9,540 for the purpose of supplying power to the recycling center and to authorize the Selectmen to apply for a grant from New Hampshire the Beautiful to pay 50% of the cost or to act in any manner relating thereto.
13. To see if the Town will vote to raise and appropriate the sum of \$1,000 to fund the purchase of plants, flowers, and shrubs to be planted on Town property by the Garden Club of Marlborough or to take any action relating thereto. (By Petition)
14. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of building a new Town Hall and to raise and appropriate the sum of \$10,000 to be placed in this fund or to act in any manner relating thereto.
15. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose or renovating the Town Hall to create rooms needed for the administration of Town business or to act in any manner relating thereto.
16. To see if the Town will vote to accept funds, gifts, and legacies from any private source or to act in any manner relating thereto.
17. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
18. To see if the Town will vote to accept any funds for the maintenance of cemeteries or to act in any manner relating thereto.
19. To transact any further business that may legally come before the meeting.

Given under our hands and seal, this *thirteenth* day of February, in the year of our Lord nineteen hundred and *eighty-nine*.

Edwin S. Wheeler, Alice M. Knight, Robert L. Bennett
Selectmen of Marlborough

	<hr/>	<hr/>
	30,644.00	8,025.00

Two new bonds were added to the schedule this year:

A--A five-year bond for Marlborough's share of the Sewer Interceptor from the Marlborough Town Line to Route 12 in Keene. Our 81.9% share is based upon the usage of the line.

B--A twenty-year bond for Marlborough's share of the District Treatment Plant and Pumping Station. Our share is 2.59% and 2.88% respectively, again based upon our pro rata share of the total flow.

These bond payments will require an adjustment of the bond charge in sewer bills commencing with the first quarter billing April 1, 1989. As in our original sewer bonds, the charge places 60% of the cost upon the user and 40% upon the total tax base. The bond charge will change from \$8.75 per quarter to \$11.15.

As you can see, in 1992 the major cost will be paid and we will reduce the bond charge accordingly.

RECREATION COMMITTEE

The Recreation Committee has spent 1988 dealing with the present and looking toward the future. Our monthly roller skating program continued into the Spring, growing and serving more and more Marlborough youth and families. The program could not run as smoothly and successfully without the support of the Marlborough P.T.A. With the installation of the new gym floor, the program is being evaluated by all concerned.

In March, Parker Drown joined the Committee replacing Linwood Croteau who served Marlborough recreation for many years. We thank him for his special gift of time and interest.

Insurance was again purchased to cover the Town's youth sports. Spring Little League and Fall Youth Soccer League each served over 50 youngsters. The Town is indebted to the generous gift of time and talents of the organizers and coaches for these teams. The fence was extended at the Little League field and the fields were maintained for their many uses.

The Town Beach at Stone Pond was prepared for Summer use. With increased use of this beautiful area, concern focused on safety and rope and buoy boundaries were installed in the swimming area. The area was fenced in later in the Summer in an effort to ensure availability for our residents.

With our main goal being to serve as many youth as possible, we elected to try an In-Town Summer recreation program. Nancy and several Town high school students ran a 4 week program serving approximately 40 youth each day. The kindergarten through grade 5 children participated in a craft, game, and sport program in the morning hours. We hope to expand this program as funding and facilities allow.

Our junior high students were offered Marlborough Travel Camp, a program in cooperation with the Cheshire County YMCA of day trips to special places of interest in and around New England. Fifteen of our youth participated in this week long activity.

As we look to the future, we see many programs offered in Marlborough for younger children. These are offered by various groups and provide a wide range of quality programming. Our concern lies with the 12 - 15 year old age bracket. Our plans are to rework our programming for this age group and to seek suggestions in this area. In the first phase of a long range project, we propose construction of a 40' X 60' open pavillion on land owned by the Town beside the Little League field. This structure would enable our Summer program shelter and the possibility of longer hours; it would provide a quiet setting for band concerts away from traffic; it would be flooded for Winter skating activities.

We would eventually have a place to offer picnic facilities; horse shoes; etc.

We ask your help and support as we continue to look toward the future.

The Recreation Committee meets the first Monday of every month, and would welcome your input.

Respectfully,

Elmer Grover
Parker Drown
Gary Thompson
Joann Robinson
Dennis McRae

INVENTORIES

Please return your Inventory promptly. It is especially important that the census portion be filled in **completely**, as this information will be used for the school census and to figure our State Revenue Sharing.

The Inventories are due on April 15, 1989, after which date, a penalty is added. The penalty is a minimum of \$10.00.

DOG LICENSES

A reminder: All dogs (6 months and older) must be licensed by May 1, 1989. The registrations are available in the Town Clerk's Office. The following fees are in effect:

\$3.50 Neutered or Spayed Animal
\$6.00 Female
\$6.00 Male

All persons over 62 years of age may register one (1) dog for a \$2.00 fee.

REPORT OF WELFARE ADMINISTRATOR

This year saw the usual number of desertions, illnesses and underemployment, all resulting in the need for help with rent, food and utilities. Rents are so high we find it almost impossible to pay rents, although we do help with other aspects of current expenses to free up available funds. We also make referrals to Southwest Community Services for rent deposits, but this is a revolving fund and if not repaid for the borrower, it must be paid by the Town.

We have had two cases of homelessness and have an arrangement with the City of Keene for temporary shelter.

We have had an unusual number of requests for intervention with hospitals because of the changes in Medicare coverage and the Medicare coverage plus private insurance being too low to cover hospital bills. The remainder is often beyond the ability of fixed-income elderly to pay. This requires applying for reductions, time payment schedules, etc.

All these matters are a result of the Federal government cutting help to aged, poor and indigent and the burden falling on the State. While the State is processing claims, it is the responsibility of the Town to carry the burden.

The Welfare Administrators and care-givers of Cheshire County have organized an AIDS Task Force to work out a way to handle the expected AIDS cases which will probably develop from the presently indicated HIV positive cases.

With the tightening of laws with regard to responsibilities for homeless, retarded and other helpless people, we are facing some legal costs in the future.

Respectfully submitted,

Alice M. Knight
Selectman/Welfare Administrator

REPORT OF HEMENWAY, KIMBALL AND CARLETON FUNDS

Again we are grateful for the benefactors of this Town who have helped us in the various aspects of Town life.

From the Hemenway Fund we have been able to give grants to 19 families and individuals who have suffered serious loss or illness. We disbursed just short of \$8,000.00.

From the Carleton Fund we disbursed about \$350.00 to an aged citizen in need.

From the Kimball Fund we disbursed \$3,000. to the families of chronically ill children.

Alice M. Knight
Selectman

STATEMENT OF COMPLIANCE

The Town of Marlborough does not discriminate on the basis of race, color sex, national origin, religion, handicap status, or age in any program or activity.

An electric chairlift is available on the front stairs of the Municipal Building, and if anyone is unable to use this equipment, we will make arrangements to transact any business on the ground floor of the building.

Board of Selectmen

FIRE WARDS REPORT

The Marlborough Fire Department answered 47 calls during 1988. This is a sharp decrease in calls compared to 1987 when we answered 75 calls. The alarms answered were: 10 chimney fires; 1 vehicle fire; 7 auto accidents; 3 structure fires; 1 grass fire; 6 automatic fire alarms; 3 gas spills; 12 miscellaneous calls; 4 mutual aid calls - of which 2 were to Dublin, 1 to Harrisville, and 1 to Surry.

The new Fire Truck approved at Town Meeting last year is scheduled for delivery around the middle of March. Once the new pumper is in service, the Fire Wards plan to refurbish the 1968 International into a 1500 gallon tanker.

At the writing of this report, 9 members of the Marlborough Fire Company are in the process of completing a State of N.H. Fire-fighter I Certification Course of approximately 100 hours, others have attended courses at Meadowood Fire School held in September and May.

We encourage anyone interested in becoming a volunteer firefighter to contact a Fire Ward or any Company member.

The Fire Company enjoys sponsoring the annual Halloween parade for grades K through 6, and lending its support to Friendly Meals.

The Fire Wards wish to thank the Fire Company, Townspeople, the Selectpersons, local and State Police for their help, cooperation, and support during 1988.

A special thanks to the Ladies Auxiliary for their assistance during this past year.

Clarence Batchelder, Jr.
Linwood Croteau
Wayne Crowell
Carl Russell
Edward Wilson, Jr.

Marlborough Fire Wards

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning.

Please help our town and state forest fire officials with forest fire prevention. Contact your forest fire warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

FOREST FIRE STATISTICS - 1988

Number Fires <u>Statewide</u> 498	Acres Burned <u>Statewide</u> 509.10	Cost of Suppression <u>Statewide</u> \$78,144.93
Number Fires <u>District</u> 28	Acres Burned <u>District</u> 20.35	Cost of Suppression <u>District</u> \$7,446.57
Number Fires <u>Town</u> 1	Acres Burned <u>Town</u> 1.5	Cost of Suppression <u>Town</u> \$116.19

MARL-HARRIS ANNUAL REPORT - 1988

In the calendar year 1988, Marl-Harris Ambulance was toned 153 times. Harrisville cases equaled 19% and Marlborough 81%. Marl-Harris was toned for 12 motor vehicle accidents, 10 transfers, 8 no transport, 4 fire stand-by, 2 Memorial Day parades, and 140 emergency patients were transported. There were 3,195 miles put on the ambulance and the 21 member squad volunteered in excess of 2,200 man-hours.

Marl-Harris uses no tax dollars, is totally free to residents of Marlborough and Harrisville and no member of Marl-Harris gets paid for his or her services. It is a total non-profit, volunteer squad.

Many thanks go to the Fire Departments, Police Departments, Selectpersons and Town Clerks for their help given during 1988. With their help and your help, Marl-Harris survives. Thank you all.

Respectfully submitted,

Geri Dunn
Marl-Harris Ambulance Squad

CEMETERY COMMITTEE REPORT

The Cemetery Committee is very pleased with the progress we made this year in implementing our plan to improve the appearance of our cemeteries. Although it will be a number of years before all of the cemeteries are completed, this year's effort was most rewarding. Peterborough Marble Works repaired, reset and straightened all of the stones and foundations in Meeting House Cemetery which needed to be done. A large pine tree which had a split in the middle had to be taken down before it fell and damaged stones. A large oak branch was removed at the same time. Another large tree in East Cemetery fell over and had to be removed.

The old broken tar road in the center of Pine Grove Cemetery was dug out and replaced with crushed gravel. A water line was replaced at the same time.

We decided to take advantage of the Town's computer system so our budget and financial report are now handled by them and are included in their report.

Next year we are planning to repair the section of the road in Pine Grove Cemetery by the Odd Fellows Lot, and begin to straighten and repair the stones and monuments in the Graniteville Cemetery.

Respectfully submitted,

Cemetery Committee

HOME HEALTH CARE & COMMUNITY SERVICES, INC.

In 1988, Home Health Care & Community Services continued to provide home care and community services to the residents of Marlborough. The following information represents a projection of Home Health & Community Services in your community in 1988. The projection is based on actual services provided from January through September 1988, and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>	<u>SERVICES TOWN FUNDED</u>
Nursing	231 Visits	49 Visits
Child Health Nursing	1 Visit	1 Visit
Physical Therapy	166 Visits	0
Speech Pathology	0	0
Occupational Therapy	4 Visits	0
Homemaker	196 Hours	196 Hours
Home Health Aide	284 Visits	180 Visits
Medical Social Worker	7 Visits	1 Visit
Nutritionist	1 Visit	1 Visit
Meals-On-Wheels	2,872 Meals	2,872 Meals
Office Visits	7 Visits	7 Visits
Home/Community Care Program	21 Hours	0
Total Unduplicated Residents Served:	78	

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, and telephone consultations were made available to residents throughout the year. Town funding, in part, supported these additional services.

Corinne Bennett is the Home Health Care & Community Services Out-reach worker to inform residents of services available in Marlborough. For further information, call Corinne at 876-4668 or Home Health Care at 352-2253.

1988 PLANNING BOARD REPORT

The Planning Board experienced an explosive year in land use regulation. The rush of information for suggestions on how to control the influx of development in the southern half of the State was overwhelming. We already had many items underway when this occurred, thanks to the expert advice of Mr. Robert Panton and his staff of the Southwest Region Planning Commission. Mr. Panton had worked with us for some 18 months and we were able to plug many holes in the Zoning Ordinance at the Town Meeting in March. While there were many significant changes, the two with the most dramatic effect was the complete revision of the Table of Use Allowances and the introduction of acreage requirements exclusive of wetlands and slopes over 15%. In July, we formally accepted a new Master Plan and had received funding for a Water Resource Management and Protection Plan as well as a Capital Improvement Program. At year's end, the Water Plan was in Concord for formal review and the Capital Improvement Plan was well underway, all thanks again to the staff at Southwest Region Planning Commission.

A Landscaping Committee was formed to help the Planning Board establish landscaping requirements for the condominium projects. Mrs. Lee Lecraw, our favorite mentor, came to our rescue with the aid of the many fine members of the Garden Club to handle the task. Their review of the Woodmaster and Northpack Projects resulted not only in many fine suggestions, but also established a bonding requirement of \$15,000 to insure the work would be done by projects end.

Some of our other undertakings consisted of modifying the Site Plan Review/Subdivision Regulations to include a definition of major/minor subdivisions, and the addition of high intensity soil surveys, wetland identification, and soil erosion and sediment control plans. We analyzed our fees resulting in another increase to pay our own way rather than depend on tax dollars. A population study was done when new town hall talks started and using a least square regression analysis, forecast a Town population of 3350 by the year 2013. Many meetings for conceptual non-binding discussions and preliminary design review sessions were held with various applicants.

The Board also made it a point to do on site evaluations and did so for all but minor applications.

Training sessions were held this year and consisted of an excellent land surveying explanation by Mr. Ed Goodrich and an equally informative session by Ms. Lisa Davidson on septic design, wetland identification, and high intensity soil mapping. The Harris Center, Hancock, N. H., also had some excellent sessions on wetlands, subdivisions, site plan reviews, trails and others, all of which were free of charge and we were grateful for getting the information. Equally important was the opportunity of meeting our peers from other local communities who are having the same problems. Obviously, the Harris Center is considered an excellent resource!

Our personnel changes took place in April and we bid a fond farewell to Norman Russell and Sue Longacre who had served the Board long and faithfully. Judy Wilson was sworn in for three more years and Alphonse Despres found the time to join us for three years.

We wish to express a special "Thank You" to two of our Board members. To our Vice-Chairman, Calvin Gage, who kept us on track and kept the process going to finish the Master Plan, and to our secretary, Anne Burlin, who produced volumes of excellent minutes necessary to document these major accomplishments. We certainly could not have done it without them!

Major subdivisions approved were the Woodmaster Project consisting of 48 units on Gates Road, a 31 unit project for Northpack Development in the old gravel pit on Route 124, and Bill Coutts for a 10 lot unit off Water Street. Minor subdivisions were approved for Robert Dabrowski on Route 124, Stephen Sugar on Old Chesham Road, two for Mark Way off Old Whitcomb Road, Michael Summers on Ryan Road and Frederick Mead on Frost Hill Road.

Site Plan Reviews were approved for Frank Buckbee to move the print shop to 236 Main Street; John Gordon to expand Flooring Concepts on Main Street; Deborah Gilman Sylvain to establish a pet grooming shop on Terrace St.; Dr. Donna Baird to establish a Veterinary Clinic at 115 Main Street; Seth Kallman to allow a produce stand in-

stead of his chain saw operation on Oliver Road; and Living Networks Corp. to establish an office on Main Street.

Boundary Line Adjustments were approved for Frank and Katherine Mackey and Arne and Virginia Dahl for their respective properties on Old Chesham Road; Elizabeth and Robert Sweet at Stone Pond; the late Harry Patnode, Sr., at 124 Laurel Street; and for the Everard/Lehtola properties on Route 124.

Joint hearings were also held for Tony and Maria Wilson to change Clayfire Pottery to an Antique Co-op on Route 101; for the Coutts project on Water Street; Marlborough Construction to open a gravel pit on Paight property; Doreen Buffington to open a sewing/dress shop in the Legion Building; Goodsell's to expand the Meetinghouse Restaurant; and Mrs. Grace to excavate the pit off Old Troy Road for private use only.

Respectfully submitted,

Laurent J. Biron
Chairman

LIBRARIAN'S REPORT

The Library was a busy department in 1988. We saw many changes and new activities. In February, the Friends of the Frost Free Library was reorganized with a membership of over 25. The Friends volunteered an astounding 766 hours of "In-Library" time. These hours do not reflect the time Friends have donated cooking for Library activities, delivering books to the home-bound, and other projects that some Friends do at home. The Friends have saved many dollars for the Library. Corrine Nash, former Librarian, is President of the Friends. I am most grateful to all for their time and effort to make the Library a pleasant place for the citizens of Marlborough.

A program that has proven to meet a need is the Pre-School Story time scheduled Thursday mornings from 10:30 - 11:15. Since we encourage children and their families to come to the Library on a regular basis, a monthly after school program was held for grades K-2 and 3-5, as well as a program for adolescents and their families.

A most exciting occurrence in the Library this year was the addition of a monthly newsletter edited and written by Marlborough high school students. Miss Emily Morris was the newsletter's original editor and now, Miss Tina Shepardson holds that title. We hope you have enjoyed reading it. The newsletter is entitled "The Rufus Report" in honor of our benefactor, Rufus Frost, whose generosity made the Library possible in 1866.

Mr. Harold Shelley volunteers 10 hours a week to the Library and is a part-time assistant when the need arises. Mr. Shelley is also working on a history of the Library, and has donated countless hours in compiling information about the founding and development of the Library. This is an exciting happening. Publication date for this manuscript has not been finalized, but, the Library and the Board of Trustees are giving Mr. Shelley their support for this project to culminate before the Library's 125th anniversary.

Mrs. Carolyn Sturgis, the former assistant librarian, left the Library in August and is missed. Mrs. Mary Cadmus was hired to take her place. Mary is a dedicated worker who enjoys working with the public. She has learned quickly and is an asset to the Library.

To comply with the State Fire Marshal's rulings for safety, the Library reversed the front doors to open out and installed crash bars for both front and parking lot doors.

Mrs. Pam Norris headed a Friends' project that gave the Library 20 hand-made puppets. These puppets were used in a show written by Katherine, Aileen, Guinevere, & Kathleen Shaw at the Marlborough School's PTA Fun Fair in May. These puppets are also available for check out; a wonderful addition and the children love them.

This year's Friends' Book Sale was a huge success, netting over

\$400. During the Book Sale, the Library sponsored a puppet show.

Blood pressure clinics are sponsored by the Home Health Care and are held the first Wednesday of every month. Home Health Care has also held a Cholesterol Screening.

There have been numerous craft workshops at the Library which enable you to learn a craft at a nominal fee. They have been very popular. The Library is pleased to offer displays every month, so if you have a craft you wish to display, just tell us. There have been some beautiful displays. We want to exhibit the crafts and hobbies of townspeople.

The Summer reading program, A Reading Pentathalon of Power, had 87 participants. It culminated with a party at which the participants received medals for their reading achievements presented at a picnic sponsored by the Friends and the Marlborough Community Association. The Marlborough Town Band played during the picnic & it was an enjoyable afternoon. As part of the Summer programming, the Library sponsored films on Friday afternoons. The Recreation Department had a Library Day, and the children walked up from the ball flats to either enjoy storytime headed by Mrs. Esther Lachance or to sit quietly and read, do puzzles, or to use the computer. Library Park was a busy spot this year holding weekly Summer concerts on Tuesday evenings. To all the private individuals and businesses that sponsor this program, thank you. Also, I wish to thank Anne Burlin and Alice Knight for their hard work coordinating the donor file, and mailing request letters. The concert program is funded totally by contributions from faithful listeners.

The Library sponsored the following holiday parties: Easter, Summer Reading, Halloween, and Christmas. The Christmas party was a wonderful evening with over 100 in attendance. The Marlborough Town Band played carols and those attending sang carols while the children visited with Santa. The outside tree, donated by the Garden Club and the Marlborough Community Association, was lit at the end of the party.

All in all, the Library was well used by the citizens of Marlborough. I thank you for your support and patronage.

Respectfully submitted,
Debra M. Zilske, Library Director

FROST FREE LIBRARY STATISTICS - 1988

In 1988, the Frost Free Library's 1114 patrons found time to:

- .. challenge us with 202 reference questions
- .. request 66 books from other libraries
- .. be one of 533 volunteers
- .. be one of 2780 people to attend programs
- .. copy 5394 pages on the copier
- .. renew 161 books
- .. borrow the 16mm projector and slide projector
- .. purchase 62 Bemis Histories

AND TO BORROW:

- .. 3350 children's fiction books
- .. 598 children's non-fiction books
- .. 2267 young adult and adult fiction books
- .. 1323 young adult and adult non-fiction books
- .. 313 videos
- .. 1248 magazines
- .. 27 pamphlets
- .. 199 records
- .. 60 puppets

For a total of 9915 circulated materials!

The Library was pleased to add:

- .. 141 children's fiction books
- .. 105 children's non-fiction books
- .. 204 adult fiction books
- .. 193 adult non-fiction books
- .. 21 puppets
- .. 23 videos
- .. 16 books on cassette

and pleased to welcome 114 new patrons!

POLICE DEPARTMENT REPORT

As 1988 came to a close, the Marlborough Police Department wound down from another busy year. Thefts, assaults, burglaries, criminal mischief and domestic violence all increased sharply, with many of these crimes involving juveniles. We are proud to say, however, that we were able to solve several of these crimes to the credit of our dedicated staff of officers.

This summer the New Hampshire Drug Task Force was active in Marlborough with the results of a major arrest involving a cocaine dealer. It is appalling when drugs of this magnitude surface in our community, and there is some comfort in knowing there are agencies such as the New Hampshire Drug Task Force to help combat these problems.

In conclusion, my appreciation to the Marlborough Fire Department, the Marl-Harris Ambulance Service, the Marlborough Highway Department, the Board of Selectmen, the staff in the Town Clerk's office and the citizens in the Town of Marlborough.

Respectfully,

Peter W. Henry
Chief of Police

CONSERVATION COMMISSION ANNUAL REPORT

A Conservation Commission provides a focal point within municipal government for environmental concerns and is the only local board specifically charged with protection of natural resources.

This being the Marlborough Conservation Commission's first full year of activity, the members spent a great deal of time educating themselves to the environmental concerns of our Town. With the help of the Southwest Region Planning Commission, an inventory of natural resources within our Town was completed. This information aided us in making recommendations to the Planning Board on issues concerning environmental protection to be included in the Town Master Plan which was recently completed.

In addition, the Marlborough Conservation Commission was active in attempting to protect environmentally sensitive lands within our Town through either purchase, gift, or easement. Through the efforts of a handful of townspeople who are "friends" of our Commission, we now have several hundred acres with our Town that are protected from development forever. Much of that land is that which surrounds Meetinghouse Pond.

A project now in the works is a plan to develop a trail system within Town that would be forever open for anyone to walk on.

The Marlborough Conservation Commission meets the third Monday of each month at 7:30 at the Municipal Building. Any interested individual is encouraged to attend.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs:

You are hereby notified to meet at the Elementary School Gymnasium in said District on the 14 day of March, 1989, at 1:00 O'Clock in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 1:00 p.m., nor close earlier than 9:00 p.m.

ARTICLE 1. To choose all necessary school district officers:

A member of the school board for the ensuing three years
A member of the school board for the ensuing year
An auditor for the ensuing year

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs:

You are hereby notified to meet at the Marlborough Elementary School in said District on the 9 day of March, 1989, at 7:30 p.m. to act upon the following articles:

ARTICLE 1. To hear the reports of agents, auditors, committees or officers chosen and to pass any vote relating thereto.

ARTICLE 2. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency (pursuant to R.S.A. 198:20-b).

ARTICLE 3. To see if the District will vote to authorize the school board to apply for, accept and expend, without further action by the School District Meeting, money from state, federal, or other governmental unit or a private source which becomes available during the 1989-1990 school year, provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board shall hold a public hearing prior to accepting and spending such money (pursuant to R.S.A. 198:20-b).

ARTICLE 4. To see if the District will vote to make the position of School District Auditor an appointive position by the school board, rather than elective, effective July 1, 1990, or to take any other action in relation thereto.

ARTICLE 5. To see what sum of money the District will vote to appropriate and withdraw from the Capital Reserve Fund, established in March of 1988 for asbestos abatement, for the purpose of effecting repairs and/or replacement within designated areas of the Marlborough Elementary School as required by state and federal regulations dealing with asbestos abatement, or to take any other action in relation thereto.

ARTICLE 6. To see if the District will vote to establish a Capital Reserve Fund, pursuant to the provisions of R.S.A. 35, for the purpose of construction and/or renovation of buildings and/or related costs to said construction and/or renovation, or to take any other action in relation thereto.

ARTICLE 7. To see if the District will authorize the school board to transfer all or any portion of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 1989, to the Capital Reserve Fund established by the voters under Article 5 above, if so established, or to take any other action in relation thereto.

ARTICLE 8. To see if the District will authorize the school board to transfer any funds from the Capital Reserve Fund, established in March, 1988, for the purpose of asbestos abatement remaining after the expenditures under Article 4, to the Capital Reserve Fund established in Article 5 above, if so established, or take any other action in relation thereto.

ARTICLE 9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for payment of statutory obligations of the district.

ARTICLE 10. To transact any other business which may legally come before this meeting.

PRINCIPAL'S REPORT

Marlborough School began the 1987-1988 school year with several new teachers.

Mrs. Floy Smith resigned her position as social studies teacher in August. Her resignation was accepted with regret and we take this opportunity to express our appreciation for her many years of service to the Marlborough School community.

Mr. Dudley Doane became our social studies teacher for the junior high classes. He has worked at Camp Glen Brook and is an experienced teacher, having taught in New York for several years.

Mr. Ronald McIntire became our math teacher, having come to us from Connecticut schools. He appreciates the beauty of the Monadnock area and was anxious to settle in New Hampshire.

Mrs. Sarah Woodward joined our faculty midyear as the librarian when Deb Zilske accepted the librarian position at the Frost Free Library. This connection will benefit us all as the library and the school work together.

Mrs. JoAnn Robinson filled the position of fourth grade teacher while Mrs. Masiello was on maternity leave and we welcomed Mrs. Joyce Puleo as an aide in the "Rainbow Unit".

The special education teacher left midyear and we again welcomed Mrs. Raasoch into the fold with her years of experience working with our special needs students.

We continued to offer many programs to our students with particular pride in the developing technology curriculum.

We take this opportunity to note changes in our staff or programs, but it is most necessary to give credit to our many teachers and staff members who continue to give of themselves, both professionally and personally, to provide a superior educational experience for our students. Though it is important that it is the quality of their educational experiences and their personal relationships that make the difference. Our teachers and other staff members deserve credit for their continuing work on staff development goals and in improving their own skills.

I wish to express appreciation for the many community members who have supported our school in a number of ways. Our school volunteer program continues to provide a variety of services for our children that they would not otherwise be able to have. The Marlborough School P.T.A. is very active and interacts with the school staff, listening to our needs and providing another avenue for us to become aware of parents' ideas and concerns, working together for solutions.

When our auditorium fills to capacity to hear our children sing or the rafters ring with cheering in the last moments of a basketball game, we reaffirm our pride in these youngsters and recognize the central position of the school in this community, not just geographically, but representing its position in our lives.

It is our intent to teach our students to be caring and contributing members of our community as well as to strive for the educational goals to pursue their interests to the best of their ability.

Sandra J. Whipple
Principal

MARLBOROUGH SCHOOL DISTRICT
Administrative Report

As I begin my second year as assistant superintendent, I am very pleased with the overall quality of the Marlborough Elementary School and the dedication of the staff to the students' educational well-being.

Under the able leadership of Sandra Whipple, New Hampshire's 1988 Elementary Principal of the Year, the school continues to improve and respond to the challenges which continuously present themselves. State minimum standards will be met in all program areas, and Marlborough should continue to enjoy the highest rating from the State Department of Education.

The school board has presented a reasonable budget which fairly represents the needs of the school. The Board will also be asking for your support in creating a Capital Reserve Fund for the purposes of construction. Marlborough had the largest percentage increase in student population at the elementary level than any other SAU 29 town. If area trends continue, the school will begin to experience space constraints sooner than many may realize. The Board is asking that the preparations for this eventuality begin now with the establishment of the Capital Reserve Fund.

Please plan to attend the district meeting on Thursday, March 9, at 7:30 PM. Your participation and support are welcomed by the Board and vital to ensure that you, the Marlborough citizen, see the direction for your school district.

Mark Genovesi
Assistant Superintendent of Schools

MARLBOROUGH SCHOOL BOARD Chairman's Report

As of this writing, the Marlborough School Board and the Marlborough Teacher's Association N.E.A. have declared an impasse and have now been referred to mediation. As a result of this, at the annual school district meeting on March 9, the proposed budget for 1989-1990 will reflect the level funding of teacher salaries and staff benefits.

It is important that you, the voters, come to the district meeting to support the operating budget. This board has worked hard, along with the administration, to maintain the quality of education we are truly fortunate to have here in Marlborough.

Some difficult decisions have been made and it is sad to see only a small handful of voters turn out to express their pros and cons. I feel that this particular board represents all aspects of our community — from elementary to high school, and the older citizens who contribute greatly to the success of our educational quality in Marlborough. Let's not allow apathy to become the way of life in this great community of ours.

We need **everyone's** support and input in the years ahead, as quality education for our children is so vital to our future as a community, our state and the nation.

You, the voters, have the final say on the bottom line or amount spent by the school board. It is only with your help and input that this board will be able to continue to strive and maintain the excellence in education that we, as a board, and you, as the community have come to expect.

Respectfully submitted,
John F. Fletcher, Chairman

NOTE: Upon successful conclusion of the contract negotiations, a special school district meeting will be called by the board for ratification of the negotiated contract's impact on the budget.

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

H. Charles Larracey
Superintendent of Schools

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING
of the
MARLBOROUGH SCHOOL DISTRICT
Held on March 3, 1988

Meeting called to order at 1930 hours, prevailing time, on March 3, 1988 by Moderator Irvin H. Gordon. The moderator stated that he would not read the warrant in full at the opening of the meeting. He then declared the meeting open under Article 1.

Article 1. Voted favorably by acclamation on the motion of Thaddeus Derendal, Jr. supported by John Fletcher, that the District receive the reports of agents, auditors, committees and officers as printed in the Annual Report.

Article 2. Voted favorably by acclamation on the motion of Thaddeus Derendal, Jr., supported by John Fletcher, that Article 2 be adopted as printed in the warrant.

Article 3. Voted favorably by acclamation on the motion of Thaddeus Derendal, Jr., supported by Elizabeth Gordon, that article 3 be adopted as printed in the warrant.

Article 4. Voted favorably by printed ballot on the motion of Elizabeth Gordon, supported by Thaddeus Derendal, Jr., that the District adopt the provisions of RSA 195-A as amended and further authorize the school board to enter into an agreement for the Marlborough School District to become part of the Keene A.R.E.A. School as established pursuant to said RSA in accordance with the provisions of the plan adopted by the school board and on file with the School District Clerk. Said file is not on file with the School District Clerk at the present time. Under an irregular voting procedure, there were 21 votes cast, 17 in favor of the article and 4 opposed.

Article 5. Voted favorably by acclamation on the motion of John Fletcher, supported by Elizabeth Gordon, that the District establish a Capital Reserve Fund pursuant to RSA 35 for the purpose of repairing or replacing the gymnasium floor and/or for expenses relating to asbestos abatement within the School District buildings.

Article 6. Voted favorably by acclamation on the motion of Elizabeth Gordon, supported by John Fletcher, that the district appropriate and authorize the school board to transfer \$50,000.00 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 1988, to the Capital Reserve Fund established by the voters under Article 5 of this 1988 Annual Meeting.

Article 7. Voted favorably by acclamation on the motion of Elizabeth Gordon, supported by John Fletcher, that the district vote to raise and appropriate the sum of \$1,445,460.00 for the support of schools, for the salaries of school district officers and agents, and for payment of statutory obligations of the district.

Article 8. Mrs. Sandra Whipple remarked that the picture on the cover of the annual town report was taken by Aaron Williams, a second grade student.

Voted favorably by acclamation on the motion of William Cumings, supported by Thaddeus Derendal, Jr., that the meeting be adjourned. The meeting was adjourned at 2020 hours.
